Hon. Daniel M. Fox
Supt. U. S. Mint

Dear Sir,

On June 28 I wrote you in reference to a claim of W. C. Sharpless, of the firm of Sharpless & Watts, upon a check of Charles E. Blummer, an employee of the Mint, amounting at that time, with interest, to \$32.²⁵ I was informed at the time that you had notified Mr. Blummer that the claim must be paid within thirty days.

The claim has not been paid and Mr. Blummer now refuses to pay it until he "is ready."

As the check was given for a cash accommodation and no attempt has even been made to meet it, my client feels that he is entitled to payment on the dismissal of the party from the Government employ. Yours respectfully,
J. C. Sellers

Hon. Daniel M. Fox
Supt. U.S. Mint

Dear Sir,

On June 28 I wrote you in reference to a claim of W.C. Sharpless, of the firm of Sharpless & Watts, upon a check of Charles E. Blumner, an employee of the Mint, amounting at that time, with interest, to \$32.25. I was informed at the time that you had notified Mr. Blumner that the claim must be paid within thirty days.

The claim has not been paid and Mr. Blumner now refused to pay it until he "is ready".

As the check was given for a cash accommodation and no attempt has even been made to meet it, my client feels that he is entitled to payment on the dismissal of the party from the Government employ.

Yours respct.
Jas. C. Sellers
